

# **Truth In Love Radio**

## **08.26.2017**

1. Caller states that the Jews asked God to forgive those who were crucifying Him because they did not know what they were doing. How do we forgive those who wrong us? It is not easy.
2. The kind of wood that the ark was made of – did God have it so that it would deteriorate so that the ark would never be found so that people would not worship it? (Some people say that they would believe if the ark was found).
